WAIKATO INSTITUTE FOR  
LEADERSHIP & SPORT STUDIES

**Our student feedback** *"I got a lot out of the resources as majority of them were new to me, and I even shared some of them with some of the other coaches at my club. It was good that there was a range of resources including videos and reading material. All of the resources were applicable to the topics and directly helpful in completing the assignments."*

*NZC Sport Coaching Graduate July 2021*
